Using Comparative Judgement in RE.

In this webinar, Daisy will lead attendees in a live demonstration of comparative judgement and results will be shared immediately. Attendees will learn about the use of Comparative Judgement for assessment in RE and Daisy will share information from pilot studies in two dioceses.

Daisy Christodoulou

Daisy is currently director of education at No More Marking (NMM), an online resource which helps teachers undertake comparative-judgment assessment of school-work. Prior to July 2017 when she took up her post at NMM, she was head of assessment at Ark Schools, the network of academies across the UK run by the international children's charity Ark.

In 2013, she published *Seven Myths About Education*, a blistering critique of some of the most common preconceptions in UK education.

Her second book, *Making Good Progress? The future of Assessment for Learning* hit the shelves in February 2017.
